Wood Badge for the 21st Century

10 - 12 October 2008

24 -26 October 2008

COURSE NUMBER: WE1-803-2-08

Scout Leaders:

You are personally invited to attend the Wood Badge for the 21st Century leadership course.

As a leader of the Scouting program in the Far East Council, Korea District, you have an opportunity to both deepen your knowledge of Scouting and further sharpen your personal leadership skills by participating in this fall's Wood Badge Leadership Training Course.

Being selected to attend a Wood Badge is no small honor, but rather demonstrates the high value that knowledgeable Scouters place upon your leadership ability, and on what you have to offer to the future of the Boy Scouting movement.

What is Wood Badge and why do Scouters value the experience so greatly?

The objective of the six day course is to demonstrate as practically as possible the aims and methods of the Scouting program. The course is a multifaceted presentation of leadership skills, organizational tools, and participatory activities based on the best Scouting traditions and the latest in team-developmental theory.

In short, Wood Badge is an outdoor leadership laboratory. Over the six days you will learn leadership skills, you will apply leadership skills, and you will reflect on what you have experienced.

During the six days you will gain new knowledge of the broad program spectrum of the Boy Scouts of America. You will learn new practical skills. You will learn valuable program techniques. Best of all, you will make lifelong Scouting friends.

Many Scouters consider Wood Badge to be a peak experience of their Scouting life. Wood Badge has served as a source of training and inspiration to thousands of Scouting's leaders. In return, Wood Badge participants have positively affected the lives of millions of America's youth.

Started in 1911 by Baden-Powell as the first steps in training Scouting's adult leaders, "Wood Badge for the 21st Century" continues to develop leaders in the same tradition.

Please accept this invitation to attend the Wood Badge course to be held in October.
